

PHARMACEUTICAL STANDARDS & SPECIALTY CHEMICALS

Active Pharmaceutical Ingredients (APIs)

Bulk active substances from certified manufacturers, supplied against specification.

DESCRIPTION

Bulk active substances supplied against a specification with a certificate of analysis, from manufacturers holding the regulatory documentation your filing requires. What decides a source is rarely the assay figure — it is the impurity profile and whether the DMF or CEP you need actually exists.

APPLICATIONS

Commercial manufacture, formulation development, method development and validation.

METHOD & COMPLIANCE REFERENCE

Manufactured under ICH Q7 GMP for active substances; the documentation package is confirmed per product.

SUPPLIED AND SUPPORTED IN BANGLADESH

- Import, customs, delivery, site preparation and installation.
- IQ/OQ qualification, scheduled calibration and validation support.
- Genuine spare parts, consumables and operator training in Dhaka.

Specifications, capacities and model options vary by configuration and are confirmed with each quotation. This sheet is generated from our product catalogue; the full manufacturer datasheet is available on request.
