TRIMS — Training & Competency Management

Principal: LabWare

Tracks role-based training, qualification and ongoing competency records.

DESCRIPTION

Links each role to the documents and courses it requires, records completion, and flags staff who are not current. When an SOP changes, the retraining requirement is raised automatically against everyone in the affected role rather than chased by hand.

APPLICATIONS

GMP training records, role-based curricula, qualification and requalification tracking, inspection readiness.

METHOD & COMPLIANCE REFERENCE

Personnel training expectations under EU GMP Chapter 2.
